National Nurses Month 2020

Thank You Nurses!

Thank you Trish!

Trish Marston | Staff Nurse | Maury Regional Medical Center

Nominated by: Kathy Watts

She's always there for you when you need her. Always there with an ear to listen and a comfort word or hug and some days that is what you really need. I know this personally. She encourages you to do your best and go for your dreams. She helps with pt care and helps calm down patients when they get out of hand for some of the staff. Because of this and so much more I nominate Trish Marston.
