- Wes Geminn, Pharm.D., BCPP, Tennessee Department of Mental Health and Substance Abuse Services
- Rachael Duncan, Pharm.D., BCPS, BCCP, Swedish Medical Center
- Dawn Waddell, Pharm.D., BCPS, Baptist Memorial Hospital - Memphis
- Zach Brent, Pharm.D., BCPS, Baptist Memorial Hospital - Memphis
- Justin Griner, Pharm.D., BCPS, Regional One Health
- Tyler Barrett, MD, MSCI, FACEP, FHRS, Vanderbilt University Medical Center
- Keith Kuboske, Pharm.D., D.Ph, NorthCrest Medical Center

A Call to Action: Opioid Light ED Collaborative Pilot

Jeff Binkley, Pharm.D., BCNSP, FASHP

Adjourn

Overall Goals of Summit:

- Describe the impact of opioids on the citizens of Tennessee
- Identify strategies to change the culture of pain management
- Identify alternatives to opioids therapy in the emergency room setting
- Discuss strategies to engage patients in support of opioid stewardship
- Identify ways to engage leadership to ensure multidisciplinary opioid stewardship teams are in place and active
- Describe the impact opioid stewardship has on patient, facilities, and communities
- Identify barriers to success and focus on any key themes identified
- Utilize data to drive improvements in practitioner performance and reporting
